Canadian Railways Must Handle War Munitions First.

The Canadian railway commission has said that war must be made at once for handling of war supplies and this word is final. The passenger trains will be removed. This is a time of war and Canada must now have it brought closer to her own doors. In the west is huge blocades of grain, in the east the railway terminals are filled to their limit with freight and more is accumulating daily. This is the cause of the embargo and the resulting delay in freight shipments. C. E. Johnson & Co., local grain dealers, report the delays in receiving grain shipments and that many orders are months overdue, and the outlook for future delivery is no more encouraging.

LEGISLATURE OPENS

Stanley C. Wilson Elected Speaker—Inaugural of Governor Graham—Adjourns Until Monday.

The Vermont legislature convened at the State House in Montpelier, Wednesday, Jan. 3d, pursuant to the constitution and laws of the state, and promptly organized for business. The Senate was called to order by Lieutenant-Governor Hale K. Darling of Chelsea, while the House was called to order by Secretary of State Guy W. Bailey of Essex Junction. There were 242 members present in the House, out of a possible 245, and there was only one absentee in the Senate, Senator Nelson T. Aldrich of Rutland county, who was detained by illness but expected to be on hand Monday.

In the House, the following named members-elect were not present: A. A. Briggs of Granville, Thomas Smith of Brownington and L. N. Potter of Clarendon. Announcement was made of the death of W. C. Daniels of Westmore.

S. C. Wilson Speaker of House

The secretary of state directed the election of speaker for the two years ensuing. Mr. Metzger of Randolph presented the name of Stanley C. Wilson of Chelsea, which was seconded by Mr. Moore of Ludlow, Mr. Barrett of Cabot, Mr. Howland of Barre City, Mr. Hunt of Danville, Mr. Gates of Franklin, Mr. Reardon of Brattleboro and Mr. Matot of Poultney.

Mr. Pollard of Cavendish presented the name of D. E. O'Sullivan of Colchester, which was seconded by Mr. Brooks of Montpelier and Mr. Foley of Montgomery.

The ballot resulted as follows: Mr. Wilson had 211 votes and Mr. O'Sullivan had 27, therefore the secretary of state declared that Stanley C. Wilson was elected speaker. Mr. O'Sullivan moved to make the election of Mr. Wilson unanimous, and it was so voted.

Harry A. Black Clerk.

The speaker was received with applause as he took his position, and, after a brief speech, he directed the attention of the House to the election of a clerk; Mr. Prouty of Newport presented the name of Harry A. Black of Newport, which was seconded by Mr. O'Sullivan of Colchester, Mr. Austin of Reading, Mr. O'Brien of South Burlington, Mr. Barrett of Cabot and Mr. Pirie of Williamstown. Mr. Black was unanimously elected, and after taking the oath of office, administered the oath to the members-elect.

Mr. Fenton of Rutland City offered the following resolution: "That the rules of the last session be the rules of the present session until others are adopted." Adopted.

Rev. J. H. Wills of Fletcher was elected chaplain of the House.

Fairchild President of Senate.

The senate was as expeditious as the House in organizing. After Lieut.-Gov. Darling had called the assembly to order, devotional exercises were conducted by Rev. J. Hall Long of Panton, chaplain of the House in 1900. When the roll of the members was called Senator Chalmers stated that Senator Aldrich was unable to be present because of illness but was expected to be in attendance Monday.

On motion of Senator Peck of Chittenden county, the Senate proceeded to the election of officers. Guy M. Page of Burlington was elected secretary. Senators Peck of Chittenden and A. W. Foote of Addison asked the senators not to vote for them for president pro tem, and Senator Foote nominated William T. Fairchild of the town of Fairchild, Franklin county, to that office. Senator Fairchild was elected.

Rev. M. W. Farman of Westfield was elected chaplain of the Senate.

Governor's Reception.

Wednesday evening the reception of Governor C. W. Gates to his successor, Gov.-elect Horace F. Graham was held in the executive chamber at the State House at 7.30 o'clock, being open to the members of the

legislature, the officials and the public in general. Adjutant General Lee S. Tillotson, Major C. E. Carpenter and Lieut. Paul Gates, the governor's son, attired in dress uniform of their rank, added to the brilliancy of the affair. In the receiving line were the following:

Gov. Gates, and daughter, Miss Edith Gates; Gov.-elect and Miss Graham, his sister; ex-Gov. and Mrs. W. W. Stickney, ex-Gov. and Mrs. Pingree, ex-Gov. and Mrs. Smith, Congressman and Mrs. Porter H. Dale, Lieut.-Gov. and Mrs. Hale K. Darling and Lieut.-Gov.-elect and Mrs. Roger W. Hubbard.

The legislature met Monday night after the week-end recess. The second week of the session starts off with 23 bills introduced, 19 in the House and four in the Senate.

The first bill introduced in the House was by Mr. Dunnam of Brattleboro, repealing the Perry act relating to the prohibition of the sale of liquor.

The committees were announced Monday night. Essex county fares (Continued on page 3)

BASKET BALL

In an Exciting Game the Island Pond High School Team Won from Lowell Commercial College with a Score of 38 to 32.

Monday night in a remarkably fast and interesting game the High School trimmed Lowell Commercial College quintet by the safe, sane, and conclusive score of 38 to 31. From the initial blowing of the referee's whistle to the final call of time the local midgets demonstrated over and again that faithful practice, self-control, and pepper are a better assurance of efficiency and endurance than profanity and cigarette butts. Nothing could captivate the sympathies of local fans more than this exhibition of nerve and clean sportsmanship. It was some game and the boys deserve all kinds of credit. Every man performed his part in excellent manner and especial mention should be made of the stellar work of Captain Stevens. Chase of North Stratford and Morong of Island Pond officiated in the capacities of referee and umpire respectively. To the latter is due much credit for his persistence in insisting upon a clean and square game. We heartily endorse Mr. Morong's contention that rules are made to be used.

RENDERS DECISION

Public Utilities Commission Renders Decision in Case of Railroad Wreck at West Bethel.

The Public Utilities commission of Maine rendered a decision Tuesday, Jan. 9, in the case of the accident on the Grand Trunk railway system between West Bethel and Gilead, on the night of December 24th, in which five persons lost their lives. The commission recommends that the Grand Trunk railway company install block signals over not less than one-half of its mileage between the Maine-New Hampshire line and Portland during the year 1917 and over the remainder thereof during the year 1918.

The commission finds Albert G. Wentworth, conductor of freight No. 548, east, directly responsible for this accident. The commission recommends a change in the manner of giving train orders and that train dispatchers be directed to "kill" all superceded orders when there is time to do so.

Passenger Service.

A change in the passenger service on the Grand Trunk railway goes into effect Monday. Watch for time table in next issue.

The 35-cent demonstrator now selling at 10 cents. Think of it! A Safety Razor at 10 cents. These are not "Fake" goods but the real thing.

In place of paying thousand of dollars for advertising to the dailies, the price of razors is reduced to this ridiculous price in the face of the fact that nearly everything else is advancing.
